

## **Issue 31**

22 August 2005

### **MINING**

WESTERN AUSTRALIA  
NORTHERN TERRITORY  
SOUTH AUSTRALIA

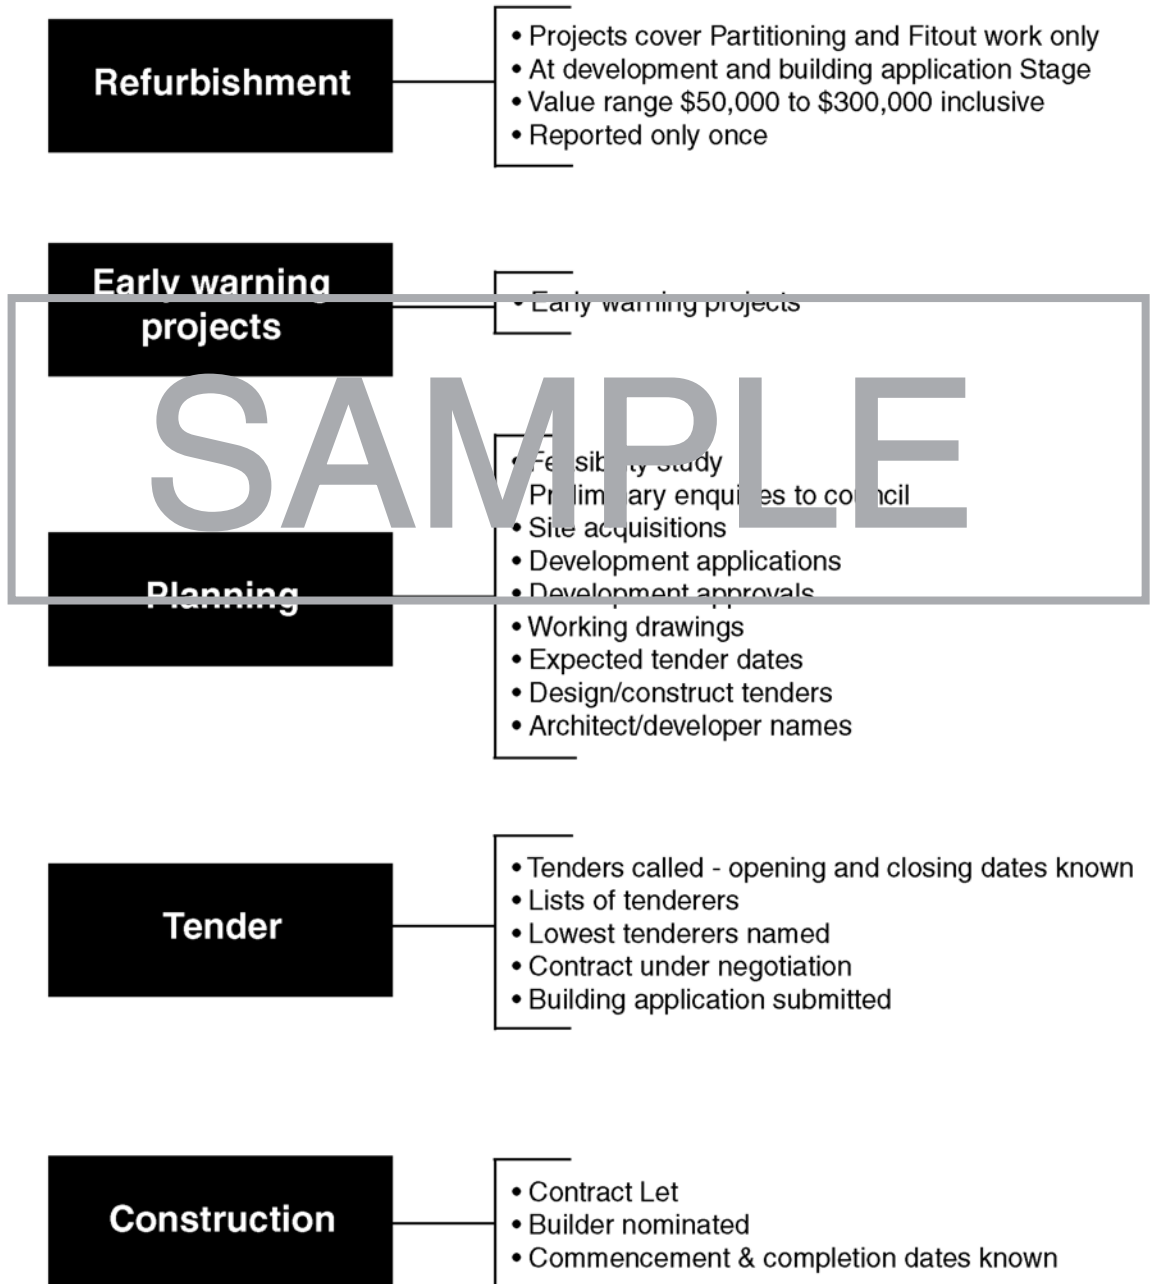

- Mining Project Activity  
Reports including  
Exploration, Drilling,  
Geological  
Survey and  
Assessment
- Comprehensive  
Management Summary

**SAMPLE**

This report is a sample only and does not contain every page of the original report. For this reason, not all projects listed in the Summary appear in the report.

# Weekly Construction Report

Our exclusive research of projects allows us to provide vital information at strategic stages.

Main contractors, Sub-contractors and Manufacturers/Suppliers have relied on RCD products for more than 35 years to expand their business by using our information in a timely fashion.

# Categories & Stages

## Construction Categories

### Commercial

Shops, **Shopping Centres** & Arcades, **Supermarkets**, Malls, Showrooms, Retail Warehouses, Retail Markets, Car Parks (multi-storey), **Offices**, Banks, Post Offices, Motor Registries, Computer Centres, Commercial Complexes, Shops, Offices, Total Concept/Mini City Developments, **Hotels, Motels**, Restaurants, Canteens, Take-away outlets, Conference & Reception Centres & Facilities, Clubs (Licensed), Licensed Premises, Casinos, **Tourist Villages**, Resort Complexes, Caravan Parks with associated facilities, Camping Grounds, Federal, State, Local Govt Offices, Embassies, Job Centres, Radio & TV Stations, Studios, Service Stations, Theatres, Cinemas, Drive in Cinemas, Amusement Parks, Zoos, Hostels, Group Accommodation Buildings, Backpacker Hostels.

### Community

Police Stations, Law Courts, Prison Rehabilitation Centres, Fire Stations, Ambulance Stations, **Schools**, Kindergartens, Day Nurseries, Colleges, Institutes, Universities, Surgeries, Medical Centres, Veterinary Clinics, **Hospitals** & Associated Buildings, Nursing Homes (medical care provided), Religious Buildings, Crematoria, Mortuaries, Funeral Parlours, Library Archives, Galleries, Museums, **Community Centres, Clubs (unlic'd)**, Youth Centres, Dressing Rooms, Ablution Blocks, Bowling Alleys, Sport & Leisure Centres, Squash Courts, Swimming Baths & associated facilities, Saunas, Spas, Solaria, Pavilions, Grandstands, Stadiums/Halls, **Aged Persons Homes**, Hostels for the Aged, Military Housing & Accommodation, Military Colleges, Military Installations & Facilities.

### Flats and Units

Retirement Villages, **Units**, Apartments, **Flats**, Villas, **Townhouses**, Serviced Apartments, Aged Persons Units

### Industrial

Air Control Towers, Passenger Terminals Bus/Rail, Laundries, Printing works, Textiles/ Clothing Factories, Assembly Plants, Conveyors/Ship Loaders, Storage Tanks, Oil **Refineries**, Chemical Plants, Ship Building Facilities, **Factory Units, Warehouses**, Cargo Sheds, Depots, Garages, Workshops, Car Washes, Hangars, Laboratories, Research Buildings & Observatories, Tracking Stations, Launching Facilities, **High Technology Parks**, Abattoirs, Breweries, Dairies, Canneries, Bakeries, Wineries, Agricultural, Horticultural Buildings, **Silos**, Grain Elevators, Sawmills, Nurseries, Greenhouses, Stables, Stockyards.

### Civil Engineering

**Treatment Plants, Sewerage Reticulation**, water Distribution Systems, Drainage, Power Stations/Substations, Phone Exchanges, Windmill/Wind Farms, Pumping Stations, Reservoirs, Gas Depots (including Manufacturing, Distribution) Waste Depots, Parks, Leisure Grounds, Playgrounds, Athletic Tracks, Golf Courses, Tennis Courts, Sports Grounds, Ice Rinks, Ski Lifts, Roads, Air Runways, Elevated Highways, Surface Car Parks, Kerbs, Culverts, Bridges, Aqueducts, Viaducts, Tunnels, Subways, **Pipelines**, Marinas, Dams, Docks & Piers, Wharves, Retaining Walls, Seawalls, Industrial Sub-divisions, Rural Sub-divisions, Commercial Sub-divisions, **Residential Sub-divisions**, Yards, Sidings, Loading Docks, Railways, Container Terminals, Lighting Signal Towers, Transmitting Towers, Lines, Landscaping, Fencing, Entry Statements, Monuments, Fountains, **Civil Works, Excavation**, Quarries, Foundations, Demolition, **Dredging, Earthworks**.

### Mining

Mining Support Facilities, Open-Cut, Underground - including Longwall, Non-Construction items, Maintenance Contracts, Mining Equipment, Primary and Secondary Processing, Piping, **Oil & Gas - Onshore & Offshore**, Exploration - Drilling, Civil Services, Power Stations, **Pump-Stations Infrastructure**, Earthworks, Drill & Blast Civil Engineering, and **Mining Subcontracts**.

## Stages

### Planning

- Early planning
- Rezoning application
- Rezoning approval
- Preliminary enquiries to council
- Site acquisition
- Feasibility study
- Sketch Plans
- Tenders called for consultants
- Tenders/submission of proposal for development
- Development application
- Development application refused
- Development approval

### Tenders & Building

- Building application
- Building approval
- Tenders to be called
- Tenders called/registrations advertised/ list of tenderers
- Lowest tenders named
- No tender accepted

### Post Tender

- Updated projects information post tender close date

### Construction

- Contract Let
- Let Construction

**Interested in tailoring your data requirements so you see only the categories and stages that are most relevant to your business?**

**Speak to your Cordell Information Consultant about our Tailored Solutions**

**Call 1800 80 60 60**

### Project Types:

In addition to New Building Projects and updates on those projects, Cordell products also provides information on Alterations & Additions, which includes but is not limited to information relating to work on existing buildings, changes of purpose & functions etc, and information on Refurbishments & Renovation projects that includes but is not limited to the modernisation of an old building, replacement of lifts, roofs, air conditioning and electrical wiring, etc

# Planning

Projects reported in this section include feasibility studies, preliminary enquires to council, site acquisitions, development applications, development approvals, working drawings, expected tender dates and design & construct tenders. For details on the builders that have been appointed and the trade requirements, see projects listed in the Tenders & Building or Construction sections. (Please note: Projects are sorted alphabetically by council.)

<b>* NOTES:</b>	Compressor Station 1 (CS1) south of Karratha to Compressor Station 9, north of Gingin, Western Australia (known as the Northern Looping project). The proposed looping pipeline sections will be 660 mm in diameter with a total length of 193 kms approximately. Subject to approvals, the pipeline construction activities could commence in first quarter 2006 and take approximately 10 months. Activities to include clearing, trenching, welding, joint coating, backfilling and pressure testing. Commissioning and commencement of operations could occur by the end of 2006. Pipeline Operation Activities will include: gas metering, prevention of pipeline damage, cathodic protection & general operations. Alinta is the operator. Formerly held by Epic Energy. The pipeline is owned by Diversified Utility & Energy Trusts (DUET), a registered management scheme which invest in energy
